The Presidential Blog

So far the weather in May has been surprisingly good and that makes for a great start for this year's Corvette season.

The May 7th indoor car show went very well. Sue and Bob did a great job. We had a number of vendors at the event and the door prizes and Chinese auction baskets were wonderful. There were a total of 67 cars at the show, one of our best totals yet for this venue. Tom and Sue Henry are one of the best sponsors that the club could have, and it is always a pleasure to work with both of them. Our thanks go out to them for being a sponsor and helping to make the show a success. Just a side note, Sue and Tom's cousin Scott, who we met when we went to see Tom's collection, had a stroke and is now in rehab at Shadyside hospital. Please keep him in your thoughts and prayers. For the next three months our membership meetings will be moving outdoors. The June meeting will be Monday, the 12th, and will be at Indian Lake Park in North Huntingdon. The club will buy the pizza and will happily accept any donations that evening. Remember to bring your drinks and chairs.

As we head into June our first event is the show at the USX Plaza on Thursday, June 1. Following closely on it's heels is the day at Jennerstown for laps at the track on Saturday, June 4th. This is open to anyone who wants to come out and run their car, it doesn't have to be a Corvette.

If anyone is looking for something fun to do on a Friday night there is a car show in downtown Vandergrift on June 9th. There will be some great food and music for all. The next autocross event is June 17th at the Jimmy Stewart Airport in Indiana. This is an opportunity for anyone who wants to see what autocross is all about to come out and experience it first hand, either as a

participant or a bystander or even ride along with someone. Autocrossing was once a mainstay of this club and this is your chance to see what it is all about.

Sue has a number of other events on tap for June so be sure to check the website and this newsletter for more information.

As I have mentioned in the past I appreciate the enthusiasm and support you have shown. The support you have shown for all the events we do make me proud of the members of our club. The attendance and participation at the May meeting was great, as usual. Again, thank you to all! Any suggestions you may have to offer on how we can improve the club or suggestions for events you would be interested in please let me know. Your comments are always welcome.

Thank you!

Museum News

The official announcement has been made that public tours of the Corvette plant would not be available for 18 months. The last day for public tours is set for Friday, June 16, 2017. The time is needed to tie the new paint shop into the assembly line and to design a new tour route. Museum delivery is still available but would not include the tour, which can be fulfilled once the plant reopens. The entire plant will be shut down August-October, so the deadline to order for July delivery is June 12.

There is a bit of museum memorabilia up for auction. It is the informational board that was with the 1969 Manta Ray Concept Car when it was on display at the Museum for its Grand Opening. It is professionally printed on plastic and designed and created by Exhibit Works. It is 25" tall by 15" wide. More information can be found on the Museum website.

The Corvette Grand Sport is the Official Pace Car for the 2017 Indy 500 and will lead the drivers on May 28 for the 101st running of the legendary race. This is the 14th time a Corvette has served as the official pace car, starting in 1978. No other car has served as the pace car more than the Corvette.

The Corvette Seminar is now available on YouTube. There is discussion of last year's triumphs, deflect about future product, and give out the scoop on the great things that are happening for the Corvette's 65th anniversary.

October 20-21, 2017 the NCM will present the First, and soon to be Annual, Corvette Racing Weekend with Doug Fehan and Special Guest Tommy Milner. To learn more about the event and/or register visit the Museum website.

CCWP Lap—Woodward Dream Cruise

In 2017 the CCWP Lap is planning on traveling out of state again, this time visiting Michigan for the Woodward Dream Cruise. We are planning on going up Tuesday, August 15th and staying through Saturday, leaving Sunday the 20th. About one million people attend this event each year. It's all about cars and cruising, partying with friends, people and car watching, and then more cars. There is no fee to drive in the cruise and no admission fee to watch the show, all you need is either a good place to put a chair or great walking shoes. There is information about the cruise available on the website woodwarddreamcruise.com.

There is a gentleman that organizes a number of tours and events for Corvette owners and we are going to include a number of these in the agenda. We are also looking into the possibility of touring the Ford museum while we are there.

Jan Hollabaugh was generous enough to step up and take care of our accommodations. She has reserved a block of rooms at the Somerset Inn, 2601 West Big Beaver Rd. Troy, MI 48084 for us for the dates Tuesday, August 15 through Saturday, August 19. There are 2 types of rooms. Tower rooms are on floors 3 through 14 and they have 1 Queen or 2 Double Beds and the cost is \$105 per night plus taxes (about 13.3% combined) for a total of about \$119 per night. Executive Wing rooms are on the 1st and 2nd floors and have either 1 King or 2 Queen Beds and the cost is \$130 per night plus taxes for a total of about \$148 per night.

If you are interested in joining us you are responsible for making your own hotel reservations. You can call The Somerset Inn at 800-228-8769 or 248-643-7800 and be sure to reference the block of rooms held for CCWP to get these rates. Please call as soon as you can because rooms are going fast and the hotel is not sure how long they can hold them. You can always cancel if you can't go. At last count there were only 3 rooms left.

We have received a list of events that have been planned for Corvette owners and a tentative schedule. We have shared that information with those who have reserved rooms.

We have also decided to charge a nominal registration fee per car. Part of the fee will be for items for a 'goody bag' for each car and the rest will go to the charity that the gentleman that does all this planning supports. We have sent out these forms and will need to have them returned to us with the fee by June 30th. We will share additional information with all who have returned their registration forms.

The next meeting will be Tuesday, June 27, at 7:00 pm at Pasqualino's in Murrysville. We usually meet at 6:00 for dinner before the meeting so please plan to join us.

If anyone has any questions please feel free to contact us.

Sternwheeler Festival

Pat and Dick Ulrich have another trip they have planned and have invited CCWP members to join them on their journey. This time they are going to attend the Ohio River Sternwheeler Festival in Marietta, Ohio the weekend of September 7th to 10th.

Over that weekend 30 –35 authentic sternwheeler boats line the river banks, and there are races, vendors, car shows and fireworks for all to enjoy. Please come and join us for a day or for the entire weekend. The festival activities begin Friday, September 8th at 5:00 pm and end Sunday, September 10th at 2:00 pm. There is a website for the Sternwheeler Festival 2017 where you can find more information about what is planned for the weekend. This will be our first trip to the Festival so if anyone has attended and has some information please let us know so we can share it with anyone planning to attend. As usual we are kind of flying by the seat of our pants, but it sounds like a fun time.

We were able to get a block of rooms at the Holiday Inn Express at 970 Pike St., Marietta, Ohio 45750. If you are interested there are 6 king rooms at \$162/night and 6 queen rooms at \$152/night, and you can call 740-760-1515 to make your reservations. Be sure to reference that you are booking in the CCWP block. You have until August 6th to book and then the rooms will be released.

After we had the rooms at the Holiday Inn we found out that it is much easier to get around using a shuttle and this hotel does not have one. However, there is a Microtel Hotel in Marietta that does have a shuttle and they do have rooms available, although we were not able to secure a block of rooms or a group rate at this time. The number for that hotel is 740-373-7373.

Valley Gem Sternwheeler offers river cruises all weekend, but you should call ahead to reserve a spot for any of the cruises. We do have 20 tickets on hold for a cruise on Friday, September 8th at noon for a 4.5 hour ride that includes lunch. The cost for a senior ticket for this cruise is \$45, and if you want to join us, call them at 740-373-7862 and be sure to mention you are part of the CCWP group.

Hope to see you in September if not sooner.

If you have any questions give us a call at 724-791-2354.

USX Show

USX Plaza Corvette Car Show

The USX Plaza Corvette car show has been set for Thursday June 1st, 2017. Below is a picture of the 2015 Corvette show as an illustration of how it is organized. The cars enter the plaza from Grant Street, at the corner of Sixth Avenue (at the far end of the picture beyond and to the left of the flagpoles). Building staff assist with entry and parking on the plaza.

The cars will enter the plaza between 9:45 and 10:00 am and are not permitted to leave until after 2:00 pm for safety reasons. We must be very strict about this. There are drains in the plaza that must be bridged with the help of the building staff.

All years and models of Corvettes are welcome. If there are more cars than the plaza can handle, preference will be given to the old, rare, or unusual models.

The date above is approved by the Building Concierge.
