The Presidential Blog

May has arrived and we can now say that “Corvette season” has too. I know that some of you have already had your cars out on the roads and are gearing up for a summer of fun. The Irwin car show at the end of April is a good way to kick off the season. The cruise should be a lot of fun and several members are planning to come out to enjoy the festivities and look at the great cars that are usually on display.

Remember that our Spring Vette show is on Sunday, May 7th, in Latrobe. The show is being sponsored by Tom Henry and some of the money raised will benefit Action for Animals. If you can’t make the show and would like to make a donation to Action for Animals whether cash or items from their wish list that is in this newsletter, please contact Sue Marnell. I’m sure they would appreciate any help you can give.

Also keep in mind that there is a lot to do the day of the show and if you can lend a hand for any part of the day please let Sue Marnell know so she can make her plans. Another big event on the schedule is the Detail Clinic at Grabiak Chevrolet. It will held on Saturday, May 20th from 9 to 4. There are usually a lot of great tips and products to be had at this clinic so you might want to mark your calendars.

There are several events lined up for early June, the first being the car show at the USX building in downtown Pittsburgh. It is scheduled for June 1st, and if you are planning to attend please let Dick Kline know. There is more information on this event in the newsletter.

Another event in early June that is not actually a club event is a Car and Bike cruise in downtown Vandergrift on Friday, June 9th, from 5 pm until dark. Come out and enjoy some good food and music and maybe see

some old friends at the same time.

One more thing for early June is a track day at Jennerstown Speedway. Mark your calendars for June 4th for this event and come out and have some fun driving your cars around the track. From 10 m to 4 pm you get unlimited laps for \$50.

We have one more indoor meeting at the Lamplighter in Delmont and then we move outside in June. Glenn has everything in place for those meetings as well as the annual picnic and there will be information for these meetings in the Newsletter so make sure you check it out.

Utilizing email has proven to be a fast and efficient method of communication with the membership and for receiving feedback. I have received many favorable responses and will continue to provide news and information relative to our club and Corvette activities in this manner.

As I have mentioned in the past I appreciate the enthusiasm and support you have shown. I always welcome any suggestions you may have to offer on how we can improve the club or suggestions for events you would be interested in. Your comments are always welcome.

Thank you!

Museum News

In 1981 Tom Myers, a huge Corvette enthusiast, purchased his first Corvette, a 1981 Silver and Charcoal Coupe that was one of the first off the lines at the new GM Bowling Green Assembly Plant. Later there was a conversation and Tom agreed that he would be interested in donating his car but wasn't sure when, but planned to leave it in his will. In 2016 Tom was diagnosed with cancer and made the decision to donate it before he died. Although very ill he was able to drive it one last time as he put it on the trailer to take to the museum. It is currently on display in the Skydome. Corvette Racing racked up another class win at the Mobil 1 Twelve Hours of Sebring

Fueled by Fresh from Florida, its third straight in North America's oldest endurance sports car race. Michelin has put together a recap video that you can see on their YouTube channel. Michelin is the official tire of the museum. Each year, automotive museums from around the country gather for conference, networking, and awards presentation. This year the National Association of Automobile Museums was held in Seattle and the National Corvette Museum brought home six awards from the banquet.

General Motors has released the 2018 Corvette specs, product information and ordering guide. Although neither a ZR1 or mid-engine were listed, there will be a Carbon 65 special edition to mark the marque's milestone anniversary. There are no drastic changes but some new options will be available that will allow buyers to truly build their dream car. The new Ceramic Matrix Gray that will be offered on the Carbon 65 will replace the Sterling Blue for exterior colors for 2018. The museum will be co-hosting the C4 gathering along with the ZR-1 Net Registry and the Grand Sport Registry in May, from the 18th to the 20th. The event is open to anyone interested in the 4th generation Corvette and the organizations are working to put together a great agenda for the meeting.

Condolences

Our thoughts and prayers go out to Joe Haver and his family for the loss of his wife Kathy. May loving memories ease your loss and bring you comfort.

Joe asked me to post this: On behalf of the Haver Family, I would like to thank CCWP for its kindness and sympathy in the death of my wife Kathy. Your donation to the Ladies of Charity was perfect, as she was very involved with that group.

Looking for a fun car cruise to attend? Mark your calendars for Saturday, June 17 and make the trek to Downtown Scottdale And join in the festivities. Cruise hours are 4 pm to 9 pm.

CCWP Lap—Woodward Dream Cruise

In 2017 the CCWP Lap is planning on traveling out of state again, this time visiting Michigan for the Woodward Dream Cruise. We are planning on going up Tuesday, August 15th and staying through Saturday, leaving Sunday the 20th. About one million people attend this event each year. It's all about cars and cruising, partying with friends, people and car watching, and then more cars. There is no fee to drive in the cruise and no admission fee to watch the show, all you need is either a good place to put a chair or great walking shoes. There is information about the cruise available on the website woodwarddreamcruise.com.

There is a gentleman that organizes a number of tours and events for Corvette owners and we are going to include a number of these in the agenda. We are also looking into the possibility of touring the Ford museum while we are there.

Jan Hollabaugh was generous enough to step up and take care of our accommodations. She has reserved a block of rooms at the Somerset Inn, 2601 West Big Beaver Rd. Troy, MI 48064 for us for the dates Tuesday, August 15 through Saturday, August 19. There are 2 types of rooms. Tower rooms are on floors 3 through 14 and they have 1 Queen or 2 Double Beds and the cost is \$105 per night plus taxes (about 13.3% combined) for a total of about \$119 per night. Executive Wing rooms are on the 1st and 2nd floors and have either 1 King or 2 Queen Beds and the cost is \$130 per night plus taxes for a total of about \$148 per night.

If you are interested in joining us you are responsible for making your own hotel reservations. You can call The Somerset Inn at 800-228-8769 or 248-643-7800 and be sure to reference the block of rooms held for CCWP to get these rates. Please call as soon as you can because rooms are going fast and the hotel is not sure how long they can hold them. You can always cancel if you can't go. At last count there were only 4 rooms left. We have received a list of events that have been planned for Corvette owners and we will be sharing them with the people who we know have made reservations.

We have also decided to charge a nominal registration fee per car. Part of the fee will be for items for a 'goody bag' for each car and the rest will go to the charity that the gentleman that does all this planning supports. We will be emailing the registration form shortly and will need to have them returned to us with the fee by June 30th.

The next meeting will be Tuesday, May 16, at 7:00 pm at Pasqualino's in Murrysville. We usually meet at 6:00 for dinner before the meeting so please plan to join us.

If anyone has any questions please feel free to contact us.

We are happy to announce that Action for Animals, an animal shelter located just outside of Latrobe on route 217, will be attending our May 7, 2017 Spring Car Show. They are a 501c3 non-profit, non government funded, no-kill shelter that keeps animals free from the threat of unwarranted euthanasia.

My husband and I will be donating three \$25 gift cards for a Wish List prize raffle. Anyone who donates an item that is on the wish list will receive 5 raffle tickets for the raffle of the gift cards. For those of you who cannot attend the May 7th show but would still like to make a donation you can bring items from the wish list to the April 10th membership meeting and I will take them to the show. I will have raffle tickets at the April meeting to give to anyone who brings a donation from the list. For those planning on attending the show, just bring the items with you that day and you will receive your raffle tickets at that time. The drawing will be at the end of the show. You do not need to be there to win, just make sure you clearly mark your ticket with your name and phone number. All donations are greatly appreciated. If you plan on making a monetary donation make your checks payable to Action For Animals Humane Society.

We are also pleased to announce that Nicole Paolo will be displaying her line of Lularoe Clothing. Please make her feel welcome and don't be shy about looking at the beautiful clothes she has to offer.

We would also like to welcome Amy Lowers from the Super Spa Girl. She will be there with her state of the art massage chair to help relax those muscles after you have worked hard to clean and polish those beautiful Corvettes. Amy has also offered part of her proceeds to Action for Animals.

We are still waiting to hear back from a few other vendors.

We will also be having a Chinese Auction and we are looking for donations. If any of our members would like to make a donation, or if they know of someone or some business that would like to make a donation, please let us know. We just need the items and we will make up the baskets for the auction.

We are looking for volunteers for the Spring Show so if you can lend a hand please let me know.

The Club will make a donation to Action for Animals from the proceeds of the auction.

Thanks.

USX Show

USX Plaza Corvette Car Show

The USX Plaza Corvette car show has been set for Thursday June 1st, 2017. Below is a picture of the 2015 Corvette show as an illustration of how it is organized. The cars enter the plaza from Grant Street, at the corner of Sixth Avenue (at the far end of the picture beyond and to the left of the flagpoles). Building staff assist with entry and parking on the plaza.

The cars will enter the plaza between 9:45 and 10:00am and are not permitted to leave until after 2:00pm for safety reasons. We must be very strict about this. There are drains in the plaza that must be bridged with the help of the building staff.

All years and models of Corvettes are welcome. If there are more cars than the plaza can handle, preference will be given to the old, rare, or unusual models.

The date above is approved by the Building Concierge.

There are still some rooms left but you should make your reservations sooner rather than later as they can be cancelled if plans change. Details are in the Newsletter.
