## The Presidential Blog

November has brought some wet and cold days, signs that the Corvette season is nearing its end. Enjoy any good days that are left this year.

As we near the end of 2017 I can say that it was a very good year for the club. Our membership has grown, the activities and events were plentiful and varied, and participation was fantastic, with many new members attending and volunteering to help with the activities. The only way to really appreciate our club and its members is to join in, have fun, and meet those acquaintances that become good friends. All this while we get to share the enjoyment that we anticipated when we purchased our Corvettes.

The last two events that took place early in November were great and a lot of fun for everyone who joined us.

December is an important month for us with one activity to take place at our final meeting of the year-ELECTIONS. This activity shapes the Board for the upcoming year and that is something that should be important to all members. The positions that are up for election are President, Secretary, Newsletter and Social. We have not had anyone step up to run for the available offices, but with one exception, the people in those offices have agreed to run for re-election. The exception is Social, and Bob Marnell is on the ballot for that position. The current officers, Frank Paolo (president), Deb Paolo (Secretary), and Georgeann Young (Newsletter) are the ones up for re-election. There is a ballot in this Newsletter and we are asking you to print it, fill it out, and bring it to the December meeting to be counted. There are spaces for write-ins if anyone has decided that they would like to be a part of the Board. The installation of new officers is effective January 1, 2018.

There are some people we need to thank that helped make this past year such a success. We want to thank Tom Henry for his sponsorship of the Spring Corvette Show. We also want to thank Grabiak Chevrolet for their sponsorship of the Fall All GM Show. Both were great events. Thanks to Jennerstown Speedway for letting our club use the track for an event. We are happy that they want us to come back again next year. Thanks to

all who came out to share that day with us.

Remember that the After Christmas Party is on Saturday, January 13, 2018 at Banquets Unlimited in Irwin. Be sure to send in your reservations to Glenn Raymer as soon as possible. The form is in this Newsletter.

As I close out 2017 as your President I want to thank the Board and all of our members for helping to make this past year such an enjoyable time. So many people do so much to make our club an outstanding success that I can't name everyone. Thanks to Sue Marnell, our events director, for arranging a full year of fun and interesting events that has made CCWP the envy of other local clubs. Sue did a great job of encouraging members to "join in" and enjoy the benefits of membership and the camaraderie of friends. Thanks to Georgeann & Allen Young for stepping up again this year to do the Lap along with their other Board duties. It was a great trip to the Woodward Dream Cruise. To all the Board Members this year I want to thank you for helping and making my job easier. Last, but not least, a big THANK YOU to all who participated in, and helped at, our events. You are the soul of CCWP! Thanks again to Bob and Sue Marnell, new members who jumped in and took a leadership role.

With the holidays approaching, Deb and I want to take this opportunity to wish everyone a Joyous Holiday Season and a Happy and Prosperous New Year.

**The next Membership Meeting is Monday, December 11th, at The Boulevard on Route 22 in Delmont.** The meeting starts at 7:00 but plan on coming early to share dinner with your fellow club members.

## Museum News

The Museum has opened a new exhibit that will run through May 13, 2018 that traces the history of transportation in the Commonwealth of Kentucky. Kentucky celebrated its 225th anniversary on June 1, and the exhibit commemorates the milestone while taking visitors on a trip through time. It doesn't focus only on items made in the state, but tells the story of how people interacted with various forms of transportation.

There is a new go-kart track at the NCM Motorsports Park so if you are in the area be sure to check it out.

The NCM Motorsports Park offers gift certificates for a number of track activities including karting, Corvette Touring, Corvette Experience, Hot Laps, Touring Laps in your own car, and NCM High Performance Driving Schools.

The NCM will be jet-setting across the big pond to France June 8-19, 2018 to cheer on Corvette Racing in the 24 Hours of LeMans race. See the Museum website for more details.

Corvette Nation is now on Netflix. Two Seasons are now available for viewing.

Don't forget planning is beginning for the August 2019 National Corvette Caravan.

For more information visit the museum website.

We are looking at things to do for next year. Any suggestions can be sent to Sue.

May 26, 2018-Corvette show at a winery in North Carolina and add a trip on the Tail of the Dragon. This would be a 2 night stay and is over Memorial Day weekend.

There is an option to go to Charlotte raceway in October for a race and maybe some time on the track. We are getting information on this trip from Bart McGovern as he is getting the activity organized.

Might want to visit the proving grounds for Chevy and the Ford Museum near Detroit.

Some other items on the list: Quaker State Car Show in Sharon, Butler Cruz-a-Poluzza Car Show, Colussy Car Show, Jennerstown Speedway and a possible Auto Cross there along with laps on the track, visit to the Chip Miller Museum, Corvettes at Carlisle, Zippo lighter race at Watkins Glen, visit to Jennerstown to watch a race and maybe participate in the Parade Lap.

We are also looking for volunteers to take charge of some of the events so Sue doesn't have to do all the planning and arranging.

2018 is the 60th anniversary of CCWP and we need to do plan some kind of celebration. We can consider a trip to the Corvette Museum and the plant or some other type of activity there or here. We are looking for volunteers to help with the planning of this event.

Autocross is finished for the season.
