The Presidential Blog

I'm sure by now everyone knows that Phil (the groundhog not Cassel) has seen his shadow so we are looking at six more weeks of winter. Hopefully that doesn't mean more snow on the way. However, the official first day of Spring is March 20, so we do have that to look forward to right around the corner. The arrival of Spring means that we are that much closer to getting our cars out of storage and back on the road again. I think everyone is getting anxious to get the Vette season started.

We already have several activities on the calendar and Sue Marnell is busy putting together a list of events for the coming months.

Planning is underway for the **Club's Spring Corvette Show** that is being sponsored by Tom Henry Chevrolet. It is scheduled for May 6th from 9 am to 4 pm and will be at Pittsburgh Mills Mall at the outdoor parking lot near the closed Sears store. The plans include expanding some of the judging categories so there will be more trophies to win. Be sure to mark the date on your calendar. More information and the registration form will be in the Newsletter and on our website.

Tom Henry is hosting us again this year for a trip to his "man cave". It is scheduled for Sunday, March 11th. We will meet at Buffalo Wild Wings on Route 8 for lunch and then visit Tom's to see his collection.

Day Chevrolet has decided to bring back its Spring Corvette Show but has asked Joe Haver, not CCWP, to run the event. We, as a club, are not involved.

This is a big year for CCWP—we are celebrating the Club's 60th Anniversary and plans are underway for celebrating that milestone. We are having Anniversary tee shirts made and they should be available for purchase at the March Membership Meeting. We also have some other ideas we are tossing around, but you want to save this date, Saturday, August 11, 2018. More details to follow.

Remember that the best way to feel like you are a part of the Club is to get involved, either by offering ideas for events, helping to plan or work at our car shows, or attending the events that the Club arranges.

As I ask each month, please don't be afraid to make suggestions that you think will benefit the club and its members or offer to help at club functions and activities. We will need help at our Spring show so please consider volunteering your time.

Remember that our next membership meeting will be held on Monday, March 12, 2018, at the Boulevard in Delmont. The meeting starts at 7:00 but plan on coming early to share dinner with your fellow club members.

I always welcome your ideas and suggestions. I am looking forward to an exciting and rewarding new year for our Club.

Feel free to contact me at:

Events

Spring is just around the corner and I hope everyone is as excited as I am. Our first event, a visit to Tom Henry's Man Cave, is coming up on Sunday, March 11th. We still have room for anyone who hasn't signed up yet.

Next up is a visit to Mike Miller's to view his collection of antiques on Saturday, April 28th. We are excited that we were able to set up this visit and we think you will be interested in seeing what his buildings hold, They are full of everything you could imagine and then some. We will meet at IHOP in Greensburg at 8 am for breakfast and pull out about 9 am to head to New Centerville for our visit. I don't recommend taking your Corvette

because some of the roads we have to travel are pretty rough. Please contact me if interested.

Sunday, April 29th, we will head to Sharon, PA for the Corvette Show at Quaker Steak & Lube. We had a great time last year so we are returning. There are some great Corvettes that usually turn out so I hope you will plan on joining us.

I am also happy to announce the date for our Spring Corvette Show. It will be Sunday, May 6th, and will be held at Pittsburgh Mills Mall. Please mark your calendars and keep your eyes peeled for more details.

Please be sure to contact me if you are interested in any of these events or you can sign up at the March Membership meeting.

Remember, if you have any suggestions for events you would like us to look into please contact me. Hope to see you at the March Membership meeting as we gear up for a new Corvette season.

In preparing for this past election the Board was reviewing the By-Laws and realized that we did not have a copy that contained all of the recent revisions so there was another review done. Following is a copy of those by-laws with changes crossed out where something is being eliminated or changed and the new verbiage is in red. These are being published for review by the members and the changes will be voted on by the membership at an upcoming meeting. Any questions or comments please contact a board member.
