

Day at **Jennerstown Speedway** with CCWP

July 1, 2018

10am to 4pm (no rain date)

Jennerstown Speedway, one of the oldest short-track facilities in the United States, and CCWP is the oldest Corvette Club in the country are joining forces to offer our club members and non-members an entire day of running on the track and having lively conversation and bragging rights with like minded car enthusiasts.

Accepting advanced registrations with payment of **\$50 due** no later than **June 22nd**. The reason is we need to confirm the number of cars expected to Jennerstown in order to secure the track for the day.

The day includes **unlimited laps** on the track and a possible autocross on the infield, which is not yet confirmed. Also, we will have a photographer onsite to take custom pics of your car. He has a Drone to take aerial pics and mobile van with all the equipment to print your pics on the spot. There is a fee for this service.
