## The Presidential Blog

Wow, the year is really flying by and the Club is off to a great start. It's hard to believe that it's July already and we're about half way through the Corvette season. We had a really good first outdoor meeting, even though the weather was a little on the cool side. Falorio's provided some great pizza. Thanks to all who attended the meeting.

Reminder to everyone that the Jennerstown event is July 1st. We need at least 10 cars to get the track so we need people to sign up so we know who is coming. You don't need to have a Corvette to join us, so let your friends know that they can join us. The price allows for all day access to the track and we have always had a great time, so it would be nice to have you join in for the fun. All the info is on the website.

July 14th is the Tom Henry show. This is a special year for them as it is also their 60th anniversary. It would be wonderful if as many of our members as possible could join us at their dealership for this show. They have done a lot for us over the past few years, including sponsoring our spring Corvette shows, so it would be a good show if we could reciprocate by coming out to support their show. If planning on attending, plan on getting there early as parking is at a premium.

This is also a big year for our Club as we celebrate our 60 year anniversary. There is some great merchandise available to celebrate this milestone (information is in this newsletter) so be sure to come to a meeting to get yours. We have also planned a banquet to mark this anniversary. It is set for Saturday, August 11th and will be at Veltre's Wedding and Event Center in Plum. There is a flyer in this newsletter with the address and a reservation form to send in with your check. The deadline for reservations is July 25th. Be sure to mark your calendars and join us for the celebration.

Our annual Club picnic is scheduled for Sunday, August 19th and will be at Bushy Run Battlefield. Directions will be on the website and in the August newsletter. Reservations are due by July 30th and checks should be sent to Bob Marnell. Although there should be adequate seating, you might want to bring an extra chair just in case.

CCWP is a Club that has endured through the enthusiasm and support of our members. I am thrilled to see so many of you participating by attending our monthly meetings and joining in with club activities. Over the past few months we have seen a number of new members join us to share in the Corvette experience. Thanks to all for your support.

As I have mentioned in the past, any suggestions you may have on things you would like to see us do or ways you think we could improve the club and/or our communications to our members are always welcome.

Feel free to contact me at:

E-mail: fpaulo@comcast.net or phone: 724-842-6001.

**Remember that our next membership meeting will be held on Monday, July 9th, 2018, at Indian Lake Park.** The meeting starts at 7:00 but plan on coming early to socialize with your fellow members and enjoy some pizza. Hope to see you there.

## Member Want-Ad

**Wanted** - A 1958 through 1975 Corvette Convertible.

I'm a 15-year CCWP member and I'm looking for a driver condition car, no show cars please. Since I have been a CCWP member I have not owned a Corvette but am actively looking to purchase one to participate in CCWP events and other cruises. I would prefer a small block, automatic transmission car but will consider others. I appreciate any help in tracking down a vehicle. Thanks.
