## The Presidential Blog

We're a little more than halfway through the year and it's been an active summer for our club. We have had two great outdoor meetings and I want to thank all the members who attended.

On Sunday, July 1st, the club went to Jennerstown and spent some time on the track. We had a total of 12 cars that day and everyone enjoyed themselves testing out their cars.

On July 4th the club participated in the Monroeville 4th of July Parade. We had 30 cars strut their stuff. Even Uncle Sam (Paul Geary) joined us on the parade route. I want to thank everyone who came out to join in the fun in the sun.

On Saturday, July 14th, the club made the trip to Tom Henry's dealership in Gibsonia for his car show. We had about 12 cars from the club. I have to say that I was disappointed in the member turnout for the show, especially since Tom Henry has done so much for the club over the past couple of years, including stepping up to sponsor our spring Corvette shows.

August is another busy month. It starts with the car show in Altoona at DelGrosso's on Sunday, August 5th. The club's annual picnic is Sunday, August 19th, at Bushy Run Battlefield so mark your calendars, send in your reservations and join us for a fun day. Directions are on the website and in the newsletter. Don't forget Corvettes at Carlisle, August 23-26. We'll have our tent there as usual so come and join us.

Another big event in August is the banquet to celebrate the club's 60th Anniversary on Saturday, August 11th at Veltre's Wedding & Event Center in Plum Borough. I have to admit I am also a little disappointed in the response to date. This is quite a milestone for the club and I was hoping for a better turnout than we are seeing so far. But it's not too late to join us if you act quickly.

Please note that we are not doing our **fall car show**, due mainly to the fact that there are so many other things going on that we were not able to devote the proper amount of time to setting it up and making it successful.

CCWP is a Club that has endured through the enthusiasm and support of our members. I am thrilled to see so many of you participating by attending our monthly meetings and joining in with club activities. Over the past few months we have seen a number of new members join us to share in the Corvette experience. Thanks to all for your support.

As I have mentioned in the past, any suggestions you may have on things you would like to see us do or ways you think we could improve the club and/or our communications to our members are always welcome.

Feel free to contact me at:

E-mail: fpaulo@comcast.net or phone: 724-842-6001.

**Remember that our next membership meeting will be at the Annual Picnic on Sunday, August 19th, at Bushy Run Battlefield..** The reservation form is in the newsletter. Your cost covers food, soft drinks and water, There is a pavilion but you might want to throw your chairs in your car just in case we run short on seating. Hope to see you there.

## Museum News

This year there will be a new event at the Museum hosted by the Bowling Green Daily News. It is called the Vette City Motorcycle Music Fest and the inaugural event will take place October 12th and 13th. The festival will feature 14 bands over 2 days at the NCM amphitheater. The musical acts are classic rock, southern rock and country. There are a number of other events scheduled for those days. See the Museum web-site for further details.

The Corvette Racing Banquet will be held in Monterey, California on Saturday, September 8th. Featured guests include Corvette Chief engineer, Team Manager and Race Team Drivers. For more information visit the museum website.

Happy Birthday Corvette! On June 30, 1953 the first completed production car rolled off the assembly line. Only 300 were made, all Polo White with red interior, and all convertibles. They were featured in a story on the History Channel. There are still a number of pieces of memorabilia available for auction on eBay so you might want to check that out. Be sure to check out the Museum web site for more information on events at or sponsored by the Museum.

**NOTE: Jack White, the CCWP ambassador to the Museum is stepping down and we are looking for someone to take his place. If interested contact Jack at 412-779-5228**

## Member Want-Ad

**Wanted** - A 1958 through 1975 Corvette Convertible.

I'm a 15-year CCWP member and I'm looking for a driver condition car, no show cars please. Since I have been a CCWP member I have not owned a Corvette but am actively looking to purchase one to participate in CCWP events and other cruises. I would prefer a small block, automatic transmission car but will consider others. I appreciate any help in tracking down a vehicle. Thanks.
