## The Presidential Blog

November was certainly an interesting month weather wise. Most of the month brought us cold, wet weather and even a little early snow. All that is a sure sign that the 2018 Corvette season is drawing to a close and it's time to get our cars ready for storage until next spring.

As we come to the end of the year and look back on 2018 I can say that it was a very good year for CCWP. Our membership has grown, activities and events were plentiful and fun and participation was good. We even had some newer members attend and pitch in to help with the activities. The only way to truly appreciate your car, our club and its members is to join in and get involved. That's the best way to have fun, meet new people, and grow new friendships, all while sharing the one thing we all have in common-our Corvettes.

I would like to apologize for not making the November Membership meeting and fulfilling my duties as President. I had knee replacement surgery and wasn't getting around too well at that time. Thanks to Rich Zisek and the other Board members for filling in for me.

December is an important month for us with one major activity to take place at our membership meeting. The election of new Board members tops our agenda for the meeting. We have only been able to fill three of the slots that are open- Allen Young will run again for Membership Director, Vince Morich will run again for Vice President, and Mike D'Iorio will join the slate to run for Treasurer. Unfortunately we have not had anyone step up to run for the remaining two positions- Social and Events. There will be a ballot at the meeting and everyone will be asked to cast their votes. Installation of new officers is effective January 1, 2019.

Special thanks goes to Tom Henry Chevrolet for sponsoring our Spring Corvette Show. It was a successful show and the money from the 50/50 went to the Greater Pittsburgh Community Food Bank. I also want to thank Jennerstown Speedway for opening the track to the Club. We had a great time there this year and they want us to come back again next year.

The After-Christmas Party is scheduled for Saturday, January 12, 2019 at Lakeview in Greensburg. This is a great way to start off the new year so plan to attend to enjoy a good meal and good friends. The reservation form is in this newsletter so get your checkbook ready and send your reservation to Allen Young.

As I close out 2018 as President of CCWP I want to thank the Board and all of our members for helping to make this past year enjoyable. So many people do so much to make our club outstanding and successful that it is impossible to thank them all. Sue Marnell, as our past Events Director, arranged a full year of events that made our club the envy of others in the area. Sue has encouraged more people to 'join in' and enjoy the benefits of membership and camaraderie of friends. To those Board members leaving as well as those staying on I want to thank you for making my job easier. And a big THANK YOU to all members who have participated in and helped at our events, you are the soul of CCWP! Thanks to Bob and Sue Marnell for stepping in to help as members.

With the coming holidays Deb and I want to wish everyone a Joyous Holiday Season and a Happy and Prosperous New Year.

Feel free to contact me with any questions or suggestions at:

E-mail: fpaulo@comcast.net or phone: 724-842-6001.

**Our next membership meeting will be Monday, December 10th, at The Boulevard on Route 22 in Delmont.** The meeting starts at 7:00, but if you want to spend some time with your fellow members come around 6: 00 for dinner. Hope to see you there.

## Museum News

The 2019 ZR1 has recently been reviewed and the consensus is: Power. It is a two seater coupe with better performance for your dollar than anything on four wheels. Base price is \$122,095 if you want to fit that in your budget. It is the crown jewel of the C7 Corvette lineup and possibly the fastest and quickest front-engine Corvette that Chevrolet will ever build. It has 755 hp from a 6.2 liter supercharged V8 and has 715 lb-ft torque. It comes in a seven-speed manual but is also available with an eight-speed automatic.

John Heinrich, Corvette Hall of Fame inductee, retired GM engineer and NCM Motorsports Park Board Member, has won his 14th SCAA National Championship Title driving a No. 56 Chevrolet Camaro in the American Sedan Class at Sonoma Raceway.

The NCM Motorsports Park offers two new programs putting you in the classroom and behind the wheel with championship winning driver Andy Pilgrim. This is an opportunity to learn from one of the best pro racers in the U.S. Andy's unique teaching abilities will ensure that you gain understanding and speed using the NCM facility. You can bring your own car or use one furnished by the NCM.

In a recent compilation of the top 12 Automotive Museums in the U.S. by HiConsumption.com the National Corvette Museum was third in their lineup.

## 2019 National Corvette Caravan

The date for the 2019 Caravan is Aug. 28-31, 2019. This marks the 25th Anniversary of the Museum, Registration for the event at the Museum is now open and can be accessed on the NCM website. If registering, be sure to register each person, not just your car. Each person will have to select which caravan they are planning to travel with, or select NO CARAVAN if not planning on traveling with one. For this event there will be only one NCM registration fee. As an upgrade for 2019, credentials will be distributed before you arrive in Bowling Green by the Caravan Captains, so it is important that you choose which Caravan Captain you will be traveling with.

If you are planning on traveling with the Atlantic Corvette Caravan (new name for the New Jersey Caravan, which is the one we traveled with last Caravan) you can reach out to John & Mary Nist, the Captains, at [atlanticcaptains2019@gmail.com](mailto:atlanticcaptains2019@gmail.com).

There is another Caravan leaving from Michigan and this one has an interesting itinerary, including time on the track in Indianapolis. However, I'm not sure they have any rooms blocked off for their drivers. It looks like the leaders will be Verna and Larry Courtney and more information on that Caravan can be obtained at [corvettecaravan.com/mi](http://corvettecaravan.com/mi).

There are no new updates but keep an eye out for more information as we go along and get closer to the event.

**The Board of Directors would like to wish all members of CCWP and their families a Merry Christmas and Happy Holiday Season.**
