Welcome Message

June brings the summer cruising season and it's high time to get our cars back on the road again. We are looking for some activities that we can do as club activities, so if anyone has any ideas or suggestions please get them to the Board. Even better would be if you have an idea and can help with the planning. The Spring Corvette Show at Bowser Chevrolet in Monroeville was held on Sunday, May 15th. The weather cooperated and the show was a great success. Many thanks to the Bowser Dealership for their sponsorship and help in getting this put together, and to all club members who helped get things planned and set up and who helped the day of the show.

There is one trip that is being planned and Lynn Full has taken the lead in getting this set up. We are planning on attending the Vettes on the Boardwalk event in Ocean City, Maryland in October. Lynn has passed a signup sheet at the last couple of meetings for anyone interested and has sent out some info regarding hotel reservations for those who are planning on joining her. More information will be coming so stay tuned.

We are still hopeful that this year we will be able to plan more activities for club members. We still need some suggestions on things you might like to do, and maybe even help with planning the event for the club. One of the best things about being a club member is sharing experiences with fellow members and making new friendships in the process. So it's time to put on your thinking cap and come up with some ideas that we can pursue.

Just a reminder that you can renew your membership at any time but the membership fee covers the period January to December.

The current Board has been in place for over two years and has worked hard to keep the Club together, but all members need to remember that it is their Club too, and we need people to get involved and help keep things going. It can't all be left up to those currently on the Board for an indefinite amount of time.

We also welcome new members who want to be part of the oldest Corvette Club in the U.S. The application is in this Newsleter. We still have a couple of positions that need to be filled. These are Secretary and Socials. Please consider helping your club by offering to fill one of these openings.

We again want to thank everyone for their continued support through these trying times and hope to see more events being planned as we go forward.

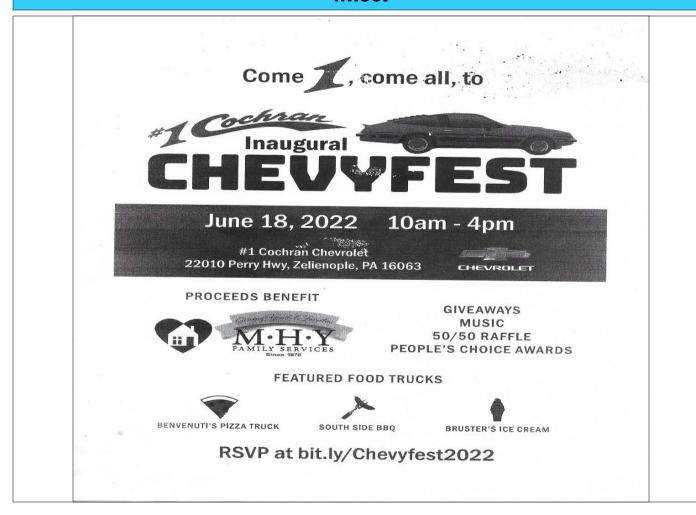

So many people do so much to make our Club an outstanding organization that it is impossible to name them all. The Board would like to send out a big **Thank You** again to everyone who has participated in and helped at any of our events. You are the heart and soul of CCWP.

Remember that Board meetings are held the 1st Tuesday of the month and any member is welcome to attend. If planning on attending, check with a Board member for the location of the meeting.

Note: The June Membership meeting is scheduled for Monday, June 13th, and will be our first outdoor pizza meeting. The Meeting starts at 7:00 p.m., but the pizza should be there around 6:15, so come early to join your fellow members for dinner before the meeting.

Museum News-Pat Hillyard

For over 25 years the Museum has held to the original membership pricing and renewal rates with no changes. Due to the increased cost of materials and mailings to maintain memberships, a new pricing structure will go into effect June 15th. This new pricing structure will enable the Museum to provide benefits to the members. The price changes are: Individual-\$65 annually, Family-\$100 annually, Senior Individual-\$750 (20 years), 5 year renewal-\$200 for an individual/\$350 for family. On June 11th and 12th you can go to the Museum and view the 24 hours of LeMans

race. You will be able to watch on a giant 28-foot screen in the Chevrolet Theater with live timing and scoring. There will also be refreshments, private Skypes from the Corvette race team, and door prizes. Space is limited so register soon. See the Museum website for registration costs and details.

If you are travelling in the area of the Museum you might want to check out the Motorsports Park. There are a number of different offerings for all ages and skill levels. If you are really looking for an adventure you can sign up for the Andy Pilgrim Driving Experience. It is a 1-day program that has been hand crafted by Pro Racer Andy Pilgrim. It includes auto cross runs and laps on the track driving the C8 Corvette with 1-on-1 feedback from the pro himself. The day starts with breakfast. Then you get in the driver's seat of a C8 for timed autocross runs designed by Andy. There will be a brief intermission and lunch before you move to 3.2 mile road course. Each participant will receive 1-on-1 feedback between each 20-minute session totaling an hour on the track. The day ends with dinner and a reception with Andy. Check out the Museum website for other details and cost.

On Sunday, May 15th. CCWP held its Spring Corvette Show at Bowser Chevrolet on Route 286 in Monroeville and it was a great success. Bowser sponsored the show and provided the space, coffee and donuts to start the day, arranged for a great catered lunch and paid for the trophies. We had 60 cars pre-registered for the show, although not all showed up, and 31 drive ins on the day of the show. The weather even held up and was warm and sunny.

We also had a 50/50 raffle at the show and the winner, Thom Shepler, took home \$250.

Vince Morich's wife Shannon was in charge or organizing a Chinese Raffle. She asked for donations from Club members and they came through again by providing cash, gift cards, or items to be included in the baskets. We raised \$300 from the basket raffle. Congratulations to all the winners.

We discussed final arrangements for the scheduled Spring Car Show at Bowser Chevrolet. Bowser will pay for trophies and a catered lunch. We had about 45 cars registered at this time. Gary again asked that anyone who was planning on attending any car shows before our show take some flyers to distribute. Gary also asked that any members in attendance who had agreed to be a judge stay after the meeting for a short meeting to discuss the judging process. Shannon Morich told the members that she had received a number of donations for the Chinese Auction and said that she was still accepting cash donations at the meeting. And that would be used to purchase additional lottery tickets for the auction. We also picked up some remaining 60th Anniversary merchandise and are planning on distributing it at the car show. Lynn Full talked about the event she is putting together, Vettes on the Boardwalk, to be held Ocean City, Maryland in October. She sent out some info she had gathered to those who had signed up at the previous meeting. This included hotel information and she suggested that those who were planning to attend make their reservations asap.

The dates for some upcoming car shows were given-April 30th is the Irwin Car Show and May 15th is the Quaker Steak & Lube cruise (this is the same date as our Bowser cruise.
