## The Presidential Blog

We are now halfway through the year and in the middle of an active summer for the club. We had a great first outdoor meeting in June with some great pizza that Glenn provided.

Thanks to all who attended the meeting and to those who gave a donation. The next general meeting is July 10th at Oak Hollow Park. Remember that the club provides the pizza (with an opportunity for club members to make a donation to cover the cost if they want to) but you need to bring your drinks and chairs, just in case there are not enough seats at the pavilion.

The Jennerstown event on June 4th went very well. There were 11 cars who all got to enjoy the track and all had a great time. An added benefit was that there was no rain! The St. Vincent musical event went well and everyone who attended enjoyed the play. The dinner afterward was great too. Some of us attended the Cruise-a-Palooza at the Butler Fair Grounds on June 24th. It was a great day for the show and lots of cars to look at.

Remember that the Pittsburgh Vintage Grand Prix is July 7th to the 16th. The Camaro is the featured car for this year's event. More information is available on-line at their web site.

Remember to mark your calendars for the annual picnic, Sunday, August 13th. It will be at the Bushy Run Battlefield. Directions will be on the website and in the August newsletter. Although there should be adequate seating, plan to bring an extra chair just in case.

CCWP is a club that has endured through the enthusiasm and support of our members. I am thrilled to see so many of you participating by attending meetings and club activities. Each month more people are coming to the meetings and signing up to

participate in the events. Also, each month we have new members joining the club to share the Corvette experience. Thank you all for the support.

As I have mentioned in the past I appreciate the enthusiasm and support you have shown. The support you have shown for all the events we do make me proud of the members of our club. The attendance and participation at the meetings has been great, as usual. Again, thank you to all! Any suggestions you may have to offer on how we can improve the club or suggestions for events you would be interested in please let me know. Your comments are always welcome.

Thank you!

Feel free to contact me at:

## Museum News

It has been announced that the Black Rose color will be phased out. The color was introduced in 2016 and cars will be painted until the plant shuts down in August. It will be replaced with a new color TBA but it might not be right away. Only 1,333 cars were built in that shade so if you have one it is pretty rare.

This year Kentucky celebrates its 225th anniversary of admittance to the union. To celebrate, the Museum is hosting a special exhibit 'Kentucky: 225 Years on the Move' that will open Aug. 28, 2017 and run through Spring 2018. The exhibit will trace the history of transportation in Kentucky. The museum is soliciting artifacts for

the display as part of the exhibit.

You can now register for the 23rd Anniversary Celebration and Hall of Fame Induction. It will include 3 days of activities in and around the NCM. It will also include the Lifetime Member/VIP dinner, the Ambassador Luncheon, and the Corvette Hall of Fame induction ceremony and banquet. Details and registration forms are on the museum website.

The NCM publishes a quarterly magazine that is mailed to more than 38,000 members worldwide. If you have a cool, touching, or memorable Corvette story to share for consideration, email it to [editor@corvettemuseum.com](mailto:editor@corvettemuseum.com). Be sure to include a photo.

Plans are well on the way for the 2019 National Corvette Caravan. It will also be the 25th Anniversary of the National Corvette Museum. You can find out more about the Caravan on the museum website.

General Motors has released the final 2017 model year Corvette stats. A total of 32,782 Corvettes were produced. Automatics almost doubled the production of manuals. The 1LP package was the most popular for Stingrays and Grand Sports. Arctic White was the most popular color, followed by Watkins Glen Gray, Black, Torch Red, Admiral Blue, Blade Silver, Long Beach Red, Corvette Racing Yellow, Black Rose, and Sterling Blue. More stats available on the museum website.

For more information visit the museum website.

## CCWP Lap—Woodward Dream Cruise

In 2017 the CCWP Lap is planning on traveling out of state again, this time visiting Michigan for the Woodward Dream Cruise. We are planning on going up Tuesday, August 15th and staying through Saturday, leaving Sunday the 20th. About one million people attend this event each year. It's all about cars and cruising, partying with friends, people and car watching, and then more cars. There is no fee to drive in the cruise and no admission fee to watch the show, all you need is either a good place to put a chair or great walking shoes. There is information about the cruise available on the website [woodwarddreamcruise.com](http://woodwarddreamcruise.com).

There is a gentleman that organizes a number of tours and events for Corvette owners and we are going to include a number of these in the agenda. We are also looking into the possibility of touring the Ford museum while we are there.

Jan Hollabaugh was generous enough to step up and take care of our accommodations. She has reserved a block of rooms at the Somerset Inn, 2601 West Big Beaver Rd. Troy, MI 48064 for us for the dates Tuesday, August 15 through Saturday, August 19. There are 2 types of rooms. Tower rooms are on floors 3 through 14 and they have 1 Queen or 2 Double Beds and the cost is \$105 per night plus taxes (about 13.3% combined) for a total of about \$119 per night. Executive Wing rooms are on the 1st and 2nd floors and have either 1 King or 2 Queen Beds and the cost is \$130 per night plus taxes for a total of about \$148 per night.

By now all hotel reservations should have been made if you are planning on joining us. We have a list of events that have been planned for Corvette owners and a tentative schedule. We have shared that information with those who have reserved rooms. These include the GM Heritage museum, Stahl's, which houses a private collection of rare, older era cars as well as some interesting and unique accessories.

We have also decided to charge a nominal registration fee per car. Part of the fee will be for items for a 'goody bag' for each car and the rest will go to the charity that the gentleman that does all this planning supports. That charity is a local food bank. If you would like to take something else to donate I'm sure he would appreciate it. We have had all the registration forms returned to us with the fee. We will share additional information with all who have returned their registration forms.

The next meeting will be Tuesday, July 25 27, at 7:00 pm at Pasqualino's in Murrysville. We usually meet at 6:00 for dinner before the meeting so please plan to join us.

If anyone has any questions please feel free to contact us.

## Sternwheeler Festival

Pat and Dick Ulrich have another trip they have planned and have invited CCWP members to join them on their journey. This time they are going to attend the Ohio River Sternwheeler Festival in Marietta, Ohio the weekend of September 7th to 10th.

Over that weekend 30 –35 authentic sternwheeler boats line the river banks, and there are races, vendors, car shows and fireworks for all to enjoy. Please come and join us for a day or for the entire weekend. The festival activities begin Friday, September 8th at 5:00 pm and end Sunday, September 10th at 2:00 pm. There is a website for the Sternwheeler Festival 2017 where you can find more information about what is planned for the weekend. This will be our first trip to the Festival so if anyone has attended and has some information please let us know so we can share it with anyone planning to attend. As usual we are kind of flying by the seat of our pants, but it sounds like a fun time.

We were able to get a block of rooms at the Holiday Inn Express at 970 Pike St., Marietta, Ohio 45750. If you are interested there are 6 king rooms at \$162/night and 6 queen rooms at \$152/night, and you can call 740-760-1515 to make your reservations. Be sure to reference that you are booking in the CCWP block. You have until August 6th to book and then the rooms will be released.

After we had the rooms at the Holiday Inn we found out that it is much easier to get around using a shuttle and this hotel does not have one. However, there is a Microtel Hotel in Marietta that does have a shuttle and they do have rooms available, although we were not able to secure a block of rooms or a group rate at this time. The number for that hotel is 740-373-7373.

Valley Gem Sternwheeler offers river cruises all weekend, but you should call ahead to reserve a spot for any of the cruises. We do have 20 tickets on hold for a cruise on Friday, September 8th at noon for a 4.5 hour ride that includes lunch. The cost for a senior ticket for this cruise is \$45, and if you want to join us, call them at 740-373-7862 and be sure to mention you are part of the CCWP group.

Hope to see you in September if not sooner.

If you have any questions give us a call at 724-791-2354.

Dick & Pat Ulrich
