The Presidential Blog

Well March is now behind us, Spring is officially here, and the weather is slowly getting warmer. April brings the start of the Vette season and fun on the horizon. Soon the weather will get warm and stay warm and we might even see some of the potholes get fixed. We can always hope. Anyway, we will soon have our cars out and on the road to stay. Some folks have already taken advantage of the few nice days we had to get them out and take a spin. Hopefully the rest of us will soon follow their lead.

Our March membership meeting went well and it was nice to see some new faces as well as some familiar ones. We still have some 60th Anniversary merchandise for sale and we will bring it to the next couple of meetings so everyone has a chance to look the items over and take some home. June starts our outdoor meetings and we are looking at some familiar places for them so be sure to mark your calendars. Watch the Newsletter and website for more information as we get closer to June.

There are a couple of events on the calendar for April. Saturday, April 27th, is the Irwin Car Show and we are hoping to get a spot where all club members can park together. Sunday, April 28th, is the Quaker Steak and Lube show in Sharon. We are planning on getting together to attend. Remember that our Spring Corvette Show is Saturday, June 1st, with June 2nd as the rain date. It will be at Mills Mall on Route 28 and will again be sponsored by Tom Henry Chevrolet. We are looking for volunteers to help set up and work the show so please consider giving us a hand. That's the best way to ensure that the Club will have a successful show. Let me know if you can give us a hand. Make sure you mark your calendar and plan to bring your car out for the

Show. There will be 2 trophies for each category so come on out and enter the competition.

The Club still needs an Events Director and Socials Director. The Board is working hard to make this an active and exciting year for the Club. We are all working hard to get several additional activities planned and on the calendar. If anyone has any ideas they would like us to pursue be sure to let someone on the Board know and we will try to make it happen. Or, better yet, bring your idea to the Board and then take the lead in setting it up. This would go a long way in helping us get started on events for the coming year

As I ask each month, please don't be afraid to make suggestions or volunteer to help out at Club functions and activities and become a more active member. Several members have already come forward with ideas and some have been active in planning those events. It is the best way to get to know more of your fellow members. I feel that more of you are becoming involved and I invite everyone to participate. Thank you.

Feel free to contact me with any questions or suggestions at:

E-mail: fpaolo@comcast.net or phone: 724-842-6001.

Frank Paolo

Reminder: The next General Membership meeting will be Monday, April 8th at 7:00 pm at the Boulevard in Delmont.

Track Night

The SCCA Track Night in America was designed to enable automotive enthusiasts to realize their dream of driving on a track. It is a non-competitive, no-stress, entertaining, easy and inexpensive way for nearly anyone who has a love of cars and motorsports to get on a real racecourse in their own vehicle on a weeknight. The only requirements are that the participant be 18 years old with a valid drivers license and have access to an approved helmet and street car in good working condition. No previous on track experience or SCCA membership is required. Drivers can participate in the Advanced, Intermediate, or

Novice experience group. Everyone gets three 20-minute sessions on the course.

The schedule for Pittsburgh International Race Complex in Wampum, PA (the old Beaver Run Raceway) is as follows:

The meeting starts at 7:00 but come early and enjoy dinner with your fellow members

Museum News-Pat Hillyard

A couple from Crawford, Texas, Ron & Lori Galt, decided to donate their 2005 Daytona Sunset Orange Corvette to the Museum and did it on the same day that they picked up their 2019 Arctic White Grand Sport Coupe. This is the first of this model year to be donated. There were only 2,379 Corvettes of this color made in 2005. The NCM has teamed up with Kentucky Safe Driver to offer a unique day of driver safety experience. It is a full day program scheduled for Saturday, April 13, from 8:30 am to 5:00 pm. The program is made possible through an affiliation with the National Safety Council, a nonprofit, nongovernmental public service organization

that promotes health and safety in the U.S. Students will receive instruction from the NCM team on basic car care and maintenance, including checking fluid levels, how to change a tire, how to jump start a vehicle and more. Parents are encouraged to participate too.

The 2019 NCM Bash sponsored by Michelin kicks off the on site event season. It is scheduled for April 25-27, 2019. As in the past, there will be a large contingent of GM engineers and designers from the Warren Tech Center and the Bowling Green Assembly Plant on hand to answer questions. There will be a number of featured guests and events. For more information and registration visit the Museum website.

Check out the Museum website for more information about the Museum and Motorsports Park and to check out upcoming activities.

Road Trip

Pat Hillyard has planned a trip for the Club to take place September 15th to the 18th or 19th, 2019. It is mainly a driving trip that will cover some routes with great Corvette roads. The trip will start out from Uniontown Mall in Pennsylvania and travel through Elkins, West Virginia to Harrisonville, Virginia, and from there get on the Blue Ridge Parkway. There will be a stop for dinner at the Liberty Station Restaurant in Bedford, Virginia, and will spend that first night in Roanoke, Virginia. The next morning the drive will continue on the Blue Ridge Parkway and then on to Asheville, North Carolina, spending the second night there. The next

morning there will be a tour of the Biltmore Estate and then head on to Blairsville, Georgia and dinner will be at a motorcycle/sports car resort and spend the night in that area. The next morning will start with a drive on the Gauntlet, a loop of 133 miles of twisty roads through the mountains of northeast Georgia. From there the drive will continue to Tellico Plains, Tennessee to drive the Cherahola Skyway to Robbinsville, North Carolina and then on to Deals Gap to drive the Tail of the Dragon. From there the route will go to the Foothills Parkway to head to Pigeon Forge. In Pigeon Forge there will be some options depending on how long we stay and could include a visit to Dollywood and/or the Titanic and the Floyd Garrett Muscle Car Museum. The drive home will be on the Super Slabs.

Pat is limiting the trip to 15 cars so if interested, contact him as soon as possible to reserve your spot.

You can email him at pathillyard@comcast.net

Pat will provide those who are going on the trip with the hotel information as it gets closer to the time of the trip. He anticipates that the hotel cost will be between \$500 and \$650, depending on how long the stay is in Pigeon Forge.

Events

We are still looking for an Events person to handle the coordination and/or planning of events for our Club. It is important to have an active director because a full and varied event schedule is what helps to make our Club special. It is also the best way for members to get to know each other, make connections, and form friendships.

There are a couple of members who have helped by planning an event for the Club.

Pat Hillyard has a trip planned for September (see page 10 for more information).

Jack White is also planning a trip and details are in this Newsletter.

Our Spring Corvette Show is scheduled for Saturday, June 1st, at Pittsburgh Mills Mall from 9am to 4 pm. It will again be sponsored by Tom Henry. We need people to help at the show so please consider volunteering to help out.

Some upcoming events are:

April 27th - Irwin Car Show

April 28th - Quaker Steak & Lube Show, Sharon, PA

June 1st - CCWP Spring Vette Show, Mills Mall

June - Event at Vinoski Winery with NCRS

June 23rd - Cruise-A-Palooza, Butler

July 12th-15th - Trip to Menards Car Show in Maple Grove, PA

August 4th - Del Grosso Car Show in Altoona

Sept. 15th-19th - Pat Hillyard driving trip

If anyone has any ideas for an event please let the Board know, or get started with the planning and let them know if you need help.

Trip to Menard's Chevy Show

Friday, July 12th thru Sunday, July 14th, Jack White and Deb Cassel are planning a trip to Menard's Chevy Show near Reading, PA. We will leave early Friday morning, travel out Route 22 and some back roads to Yuengling Brewery for a tour after stopping for lunch. Cost of the tour is \$1.00 per person. Hopefully we will have enough time to see the Pagoda in Reading. If not, we will see it lit up at night.

There is a block of 15 rooms for \$109 per night plus tax for a two-night stay. Saturday we will be at the car show/drag race all day.

The cost for that is \$35 or \$40 per couple.

On Sunday we will travel to Philadelphia to see the Simeone Auto Museum. If we want a tour guide at the Museum the cost would be

\$15 . The tours last 2 to 3 hours and we would head home after that.

These are the highlights and we will be looking at other possible stops. At the March meeting we had 7 cars sign up. We are limiting the trip to 15 cars and you must sign up by the April membership meeting so the necessary arrangements for rooms and tours can be made. If you can't make the meeting you can email Deb Cassel with the name of each person, cell phone numbers and email address.

Website/Facebook

We need to check with current sponsors to see if they want to renew their ads for 2019 and see if there are others to add. Regis is still doing the website and will help with the sponsors. We also have a PayPal account set up to make it easier to pay for some of these things.

Old Business

Spring Corvette Show: Frank spoke with Tom Henry and they will sponsor the Spring show. We will be doing the show at Mills Mall on June 1st with June 2nd as the rain date. We are not sure which lot we will be using. We are going to look into the possibility of having food trucks there too. Sue Henry will let us know the date of their Camaro show so we can attend again this year. It will probably be in July.

We are looking into doing a brick at the NCM that would show the Club members that are members of the Hall of Fame. Frank talked to Lance at Carlisle and he is willing to make a donation and he has connections that will help us with placement of the brick. The goal would be to have it in place by the Caravan this year. Rich Zisek is going to do some samples and we can send them to Lance to see what he thinks since he is going to help with the cost. The members voted to go with the 24x24 brick size. We still need someone to fill the **Social** and **Events** positions and if they are not filled, we could use a volunteer to handle the summer picnics. There is still 60th Anniversary merchandise available.

New Business

Pat Hillyard is now our Ambassador to the NCM. We can no longer sell tickets in PA because of state regulations that have to do with games of chance.

We are going to check with Watson Chevrolet in Delmont about doing the Fall show there. Frank has stopped but hasn't had a chance to talk to the manager yet so he will try to set up a meeting. Tentative dates are September 7th or 14th.

The NCRS is doing another event at the Vinoski Winery (Ribs & Blues weekend) on June 29th and they have invited our Club to join them.

SCCA sponsors some events at the Pgh. International Raceway (Beaver Run) where you can drive on the track. Details will be in the Newsletter. Looking at possibility of making another trip to the Hendricks museum and going to the Corvette Show at JR Raceway.

50/50 Raffle winner-Mary Lou Rostand. \$55 to winner and \$54 to Club.
