## The Presidential Blog

We have another month under our belts as we usher out September and boy, did it fly by. It was a fun filled month for our club with some great activities.

One of the events was the National Corvette Museum celebration and the caravan down to the museum. We had 12 cars from our club join the group that came down from Michigan. One of the big things that we did with this group was visit the Indianapolis Speedway and do some laps on the track. I want to thank Larry Courtney and that group for allowing us to tag along. The group that went did give him a donation for his favorite charity group as a thank you. There was a lot to do at the museum and plenty of new stuff to see.

On Sept. 8th we had a trip to the Edgewood Winery in Spring Church. We had a nice turn-out and a pretty good day weather wise for the event. Enjoyed some great food and wine while there.

Later in the month Pat Hillyard took 5 cars on an adventure down the Blue Ridge Parkway and points south to ride some great Corvette roads.

The Leaf Peeper this year is scheduled for Friday, Oct. 18th and is being organized by Karen and Time Zimmerman. They have some great things planned and there is more information on this event in the Newsletter.

You will note that we did not have a fall car show because we were not able to find a sponsor.

Of great importance each year is the annual election of the Board of Directors. The 4 positions that are to be voted on are President, Secretary, Social and Newsletter. In addition, we are still looking for an Events person so that will be included on the ballot. The Board is the driving force that keeps our

club moving forward so that is why it is important to have new people fill this positions to bring new ideas to the table to grow and improve the organization. All club members have life experiences that that they could apply to any Board position. It is a rewarding experience and a great way to meet more of the membership in a very personal way. Please consider giving some of your time to serve on the Board so we can continue with the Club.

The Board has worked hard over the past year to make sure we had a diverse slate of events for the Club but we still need your help. If anyone has an idea they would like us to pursue, bring it to the Board and then take the lead in setting it up. This would go a long way in helping us keep things rolling through the year.

CCWP is a club that has endured through the support and enthusiasm of its members. I am always thrilled to have so many of you participate by attending meetings and other club activities. Thanks to everyone for your continued support.

Any suggestions you may have on how we can improve the Club or communicate with the members are always welcome.

Feel free to contact me with any questions or suggestions at:

E-mail: fpaolo@comcast.net or phone: 724-842-6001.

## Museum News-Pat Hillyard

The NCM has been gifted a rare 1993 Black Rose ZR-1. There were only 7 like this that were produced. The donor has chosen to remain anonymous.

The NCM has purchased property adjacent to the Museum that has housed the Fraternal Order of Police Lodge for the past 17 years. It will be used by the Collections team and as a place to store the growing collection of donated cars and related items.

Pricing for the 2020 mid-engine stingray has been announced. The 1LT will start at \$59,995, the 2LT package will start at \$67,295, and the 3LT package will start at

\$71,945 (price excludes tax, title, license, dealer fees, and optional equipment).

This year's Hall of Fame inductees are Dollie Cole in the Enthusiast category; Briggs Cunningham in the Racing category; and Tom Peters in the GM/Chevrolet category. To celebrate this class, the Museum's Collection Dept. has curated a special display that features a number of special items and vehicles to represent each of the three individuals.

Each year the Kentucky Living magazine names 'Best in Kentucky' winners in a variety of categories, and readers of the magazine vote to choose the winners. The National Corvette Museum was named 'Best Museum' during the awards show. The annual NCM Corvette Racing Weekend presented by Michelin at the ACAA Museum is scheduled for Oct. 25-26, 2019. Registration will close on Tuesday, Oct. 15th. Details and registration are available on the Museum website.

During the 2019 Hall of Fame Banquet it was announced that retiring director Wendell Strode will be part of the 2020 Class of Hall of Fame Inductees to honor him for his work at the NCM over the past 23 years.

Check out the Museum website for more information about the Museum and Motorsports Park and to check out upcoming activities.

## Change to the By-Laws

If you have been to any meetings this year or read the President's Blog then you know that our current President, Frank Paolo, has decided not to serve another term. Therefore, we need candidates that might be interested in taking on the Presidential duties to step forward. In order to open the field to the entire club, it will be necessary to make a small change to the Club's By-Laws.

The section of the By-Laws pertaining to the election of a President as currently written are as follows:

**Section 7.5 To be considered for the position of President, the person must have served on the Board of Directors for the full fiscal year immediately prior to the election.**

The proposed change would eliminate this requirement so that any club member in good standing (meaning that their dues are current) would be able to run for the office of President.

This revised section would then read as follows:

**Section 7.5 To be considered for the position of President, the interested party must be a member in good standing for 2 years (meaning that their dues are current).**

Please note the change to the amendment that was in last month's Newsletter in red. This change to the By-Laws will be open for discussion at the October Membership meeting and voted on at the November meeting.

## Events

We are still looking for an Events person to handle the coordination and/or planning of events for our Club. It is important to have an active director because a full and varied event schedule is what helps to make our Club special. It is also the best way for members to get to know each other, make connections, and form friendships. There are a couple of members who have helped by planning an event for the Club. Pat Hillyard has a trip planned for September (see article in the newsletter for more information).

Friday, Oct. 18 - Leaf Peeper in October planned by Karen and Tim Zimmerman. See the article in this Newsletter for further details.

If anyone has any ideas for an event please let the Board know, or get started with the planning and let them know if you need help.

## Leaf Peeper

This year the Leaf Peeper planning is in the hands of Karen and Tim Zimmerman. The date is Friday, October 18th and the plans for the day are as follow:

10:30 am - We will meet at Sheetz in Sarver. We will be having lunch at one of the stops on the cruise but you will have to provide your own food, so you have the option of bringing a bag lunch or purchasing something at Sheets. Allow yourself enough time because we pull out at 10:30 am.

10:45 am - We will arrive at Ambrose Farms where pumpkins and late fall produce will be available for purchase.

11:30 am - We will arrive at Winfield Winery. This is where we will be having our lunch. Chilled wine will be available or you can bring a beverage with your bagged lunch. Seating is limited so PLEASE BE SURE TO BRING YOUR CHAIRS to make sure there are enough seats for all.

12:30 pm - We will leave the Winery for an hour ride through the country.

1:30 pm - We arrive in Smicksburg. There is a public parking area where we will park and there is a short walk from there to the shops in town. There are also a few locations surrounding town that you can drive to, but be sure to be back at the lot and ready to leave by 3:30 pm.

3:30 pm - We will be leaving Smicksburg for another hour ride though the countryside.

4:30 pm - We will arrive at Ryan's Creek House for dinner. The address is 171 Crooked Creek Road, Ford City, PA. If you have any special dietary needs please contact the restaurant at 724-902-7650.

If anyone has any questions about the event, please contact Karen at 724-388-3775.

## 2019 Caravan Wrap-Up

The latest caravan to the National Corvette Museum was August 27-31, 2019. There were 12 cars that participated from our club this year.

The group met in New Stanton to start their journey and we had some rain on the way out to Indianapolis. We stopped for lunch in Springfield, Ohio and everyone got to pick whatever restaurant they wanted to eat at. Some of us ate lunch at Rudy's Smokehouse. I found out when we checked out that the owner was from Pittsburgh. We got to Indianapolis before the caravan came in from Michigan. They had food for us to purchase at a discount for those in the caravan at the Wyndham Hotel.

In the morning we left to go to the Indianapolis Speedway to do parade laps. Jan Hollabaugh and I volunteered in helping them get the dash plaques, clings and pins together to be distributed. For \$20 the guys got to go on the track. Some got faster laps than others depending on what group you went out on. One member got up to a speed of 140 while others just did 55. Then we went to the museum at the track before leaving for our next stop. We went to the Kentucky Fairgrounds to have free hot dogs, drinks and chips. About 170 cars caravanned from there down to Bowling Green. They had the road blocked so we could get on the highway and when we got onto route 65 we had nothing but Corvettes in the left lane as far as you could see. The Michigan/Indiana/Kentucky Caravan had 500 cars registered. We all went to check into our motels and then met at the El Mazatlan for dinner.

The rest of the trip we all did whatever we wanted to do. Some did laps at the Museum track on Thursday morning and Friday afternoon, some getting up to 120 mph. There were seminars to attend and 8 C8 Corvettes to see. Larry said there were 7000 corvettes coming to this event and everyone had the option to go to the Corvette Museum. On Friday some went to Nashville for the day while others went back to the seminars and some went to Lexington. Saturday some traveled together home while others stayed or went to do other things. Some of us stopped at Keim's Market in Seaman, OH on the way home to have Amish sandwiches and baked goods including the Big Daddy Donuts. The weather was sunny and beautiful from the time we checked into the hotel in Indianapolis. I think everyone had a great time. Larry Courtney from Michigan organized the caravan we joined. We received free tee shirts, dash plaques, clings, pins and free lunch. He had sponsors pay for these things so we didn't have a cost like other caravans that paid as much as \$225. In appreciation for this I asked the club members to give a donation to his favorite organization Open Hands Food Pantry. I just put the donations into an envelope without knowing what people wanted to give. Jack gave Larry one of our club mugs also. I received a package back from Larry and he sent another t shirt for the men and some more dash plaques and clings that were left over. He was impressed that we had donated to his favorite organization.

Don Baker talked a bit about the pictures he takes for the club and then told his story about leaving his camera behind the day of the picnic. He contacted several members to ask if they had seen it and was finally able to track it down. Turns out the the guy who takes the car pictures had picked it up and Don was able to retrieve it.
